

You are a gift to me.

A thousand eternal ways, more, your life has blessed mine.

So I slip this book

one thousand gifts

A Dare To LIVE FULLY Right Where You Are

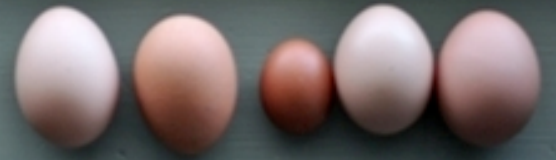

into your hands, your heart, beautiful pages whispering

of one grace upon another, a thousand gifts, more,

that a Heart of Love bestows gently upon you ---

to give you the most longed for gift of all --- deepest, realest, holiest joy.

today's gifts from His heart...
