

FORGIVENESS: *fresh starts*

Jesus took the nail for your sins. He had to find a way to forgive you.

He couldn't live broken away from you.

Right now you hurt. Jesus can give you His strength to forgive. Do you want to find a way to forgive? **You too can't live with the brokenness.** Remember how God has forgiven you?

1. Lay your finger in the dust... and write a word or draw a picture of two ways God has forgiven you.

2. Bow your head and thank God for graciously forgiving you.

3. Pass your hand through the dust, erasing the sins and know that God completely forgives you.

Is there someone God is calling you right now to forgive?

- 1. Write or draw it in the dust.**
- 2. Ask God for His love to forgive --- the same love that has forgiven you.**
- 3. Smooth out the dust and the memory of the sin.**

How do you feel now with God's forgiveness working in and through you?

Write or draw that feeling in the dust, a gift for the next person who comes behind.

~For if you forgive other people when they sin against you, your heavenly Father will also forgive you. But if you do not forgive others their sins, your Father will not forgive your sins.

~Matt. 6:14-15
